

# Treatments description

## Emotional and Relaxing Massage

A massage acting on deep emotions. Thanks to the particular music associated with the power of massage, this treatment acts on deep emotions and remove conscious and unconscious anxiety state. It provides aesthetic benefits acting on skin problems and circulation diseases.

## Anti-contratures Massage

A personalized massage aiming at reducing muscles tensions, by stretching contractures and reducing stress.

## Stress Relief Massage with Natural Oil

A harmonious blend of oriental and western massage techniques. Relaxing harmoniously combined with a mixture of essential oil providing new energy and wellbeing to the entire body.

## White Mud Therapy

This treatment based on white mud and milk proteins is useful against loose and asphyxiated skin, and against the development of stretch

marks. This treatment revitalizes cells and leaves the skin firmer and brighter but also softer, silky and glowing.

## Black coffee spa treatment anti-cellulite and fat

This treatment is particularly effective to attack cellulite and to combat localized fat. The combination of different products and techniques helps releasing toxins, obtaining a smoother skin and redefining the contours of the body.

## See salt therapy/ Thalassotherapy

This treatment is excellent to reduce cellulite and to improve skin texture and hydration. By using natural products that exploit the benefits of marine water, in order to oxygenate and regenerate body cells. The Dead See salt stimulates the lymphatic system, removes stagnant fluids effectively reducing cellulite.

## Face Lifting

An intensive treatment to combat and prevent wrinkles and expression lines.

## Facial cleansing

A deep facial cleaning treatment that purifies your skin and reactivates dormant cells.

## Wow effect

Vigorous anti-age treatment to regenerate and revitalize the skin energy. The synergy between the massage techniques and the active principles makes the skin brighter, smoother and more tonic.

## Boto-fill Eyes Treatment

Innovative, professional bio-active rejuvenation botox treatment for eyes. It clearly reduces expression lines and enhances the appearance of facial skin. After the entire BOTO-FILL treatment the skin looks firmer, smoother, healthier and younger.
